

# DARE TO EXPLORE WITH WILD FRONTIERS

*defining the difference in travel*

## Classical Uganda Incredible Gorillas, Chimpanzees & Game 2015 Lodge Safari (10 Day / 9 Night)

This ten day safari includes a thrilling visit with the Mountain Gorillas in Bwindi Impenetrable Forest National Park in Uganda, chimpanzee tracking in both Kibale National Park and Kyambura Gorge, multiple game drives in Queen Elizabeth National Park with its wide array of wildlife, including the famous tree climbing lions, and an optional visit to Ngamba Island Chimpanzee Sanctuary on beautiful Lake Victoria.

Uganda boasts some of the best bird watching in Africa, with over 1000 different species, including the rare shoebill stork and the remarkable grey crowned crane.

Luxury accommodation, professional guides and custom made safari vehicles - this safari will be the trip of a lifetime. Please note - two gorilla trekking options are available with this itinerary based on availability. Please make your request at the time of booking.

<b>Day Ten</b>	Return to Entebbe by road. Overnight (not included) or transfer to Entebbe International Airport Visit to Ngamba Island Chimpanzee Sanctuary optional and should be pre-booked.	<b>Meal Basis:</b> Breakfast & Lunch

## 10 Day/9 Night Lodge Safari 2015 Detailed Itinerary:

Please note that itinerary and accommodation may vary depending on availability. Your final itinerary will be confirmed at time of booking.

### Day One

Arrive at Entebbe International Airport where you will be met by a Wild Frontiers representative and transferred to your accommodation. Depending on your arrival time, a half day trip to Ngamba Island Chimpanzee Sanctuary, or a luxury boat trip on Lake Victoria can be arranged at an additional cost. This could also be arranged at the end of your safari if you prefer.

Other options include the Uganda Wildlife Education Centre in Entebbe, where there are a variety of visitors programmes including behind the scenes 'work' with the animals or a day trip to Mbamba wetlands in search of the rare shoebill. Ask when you book, if you are keen on this.

Entebbe is a small, quiet town located on the shores of Lake Victoria and is easy to explore on foot or local transport on motorbikes known as "boda bodas" or local taxis. Visit the Uganda Wildlife Education Centre where you can see and learn about Uganda's native wildlife, local markets to buy clothes and crafts, curio shops for souvenirs, and the Botanical Gardens on Lake Victoria where you can walk among beautiful trees, watch monkeys moving through the canopy above, and spot many indigenous bird species. Entebbe has a wide variety of restaurants serving many different cuisines as well as several bars and clubs where you can sample the local beer, catch a game of football and chat with the local Ugandans, known for their open and friendly nature.

### Ngamba Island Chimpanzee Sanctuary [www.ngambaisland.com](http://www.ngambaisland.com)

Leaving from Entebbe, travel by speed boat or traditional motorized canoe to Ngamba Chimpanzee Sanctuary located on beautiful Lake Victoria.

Officially opened in 1999, Ngamba Island was created to offer a permanent sanctuary to orphaned chimpanzees, which are victims of illegal trade and habitat destruction. Now home to more than 45 chimps, the island serves as a tourist destination for local and international travellers offering an opportunity to learn about the species and the importance of conserving their fragile forest habitat. Enjoy a guided tour of the sanctuary and a close up experience with the chimpanzees as they come to the boundary area for their morning or afternoon feeding. Cold drinks, tea and coffee are available at Ngamba and the island has a unique gift shop with a wide range of local crafts and sanctuary related t-shirts and products. Your visit and purchases directly support the project with proceeds going towards operating costs of the sanctuary, ensuring the well-being of the chimpanzees.

### The Boma Guest House [www.boma.co.ug](http://www.boma.co.ug)

The Boma is a small, family run guest house located in the suburbs of Entebbe. A converted residential home, The Boma offers quiet, relaxed accommodation and a peaceful atmosphere. Each en suite room is uniquely decorated, with many having their own veranda. Gourmet meals are prepared upon request and guests can enjoy the welcoming bar area any time of day as well as the guest house's large garden, private swimming pool and large patio boasting a beautiful views toward Lake Victoria.

## Day Two

Depart your lodge, for the short drive to the Entebbe domestic airport for your scheduled flight to Kihhi airstrip, near Bwindi/Queen Elizabeth National parks.

The flight takes just over an hour (depending on the plane used) and on arrival you will be met by a Wild Frontiers' representative and driven to Buhoma Lodge, located at Bwindi Impenetrable Forest. The drive to the lodge is through local villages and mountain roads – lovely scenery and very interesting en route!

Guests will have the opportunity for two days of gorilla tracking (pre-booking essential). Other activities that can be enjoyed in and around the park include forest walks, visits to a local school or orphanage or Batwa pygmy village, and curio shopping.

Bwindi National Park, located in south western Uganda on the edge of the Great Rift Valley, is considered the most diverse forest in Uganda. The area, one of the few large expanses of forest in

East Africa, where lowland and mountain habitats meet, contains a dense ground cover of herbs, vines, and shrubs. Home to over 120 mammals, 345 species of birds, 200 species of butterflies, and 160 species of trees, Bwindi is one of the richest ecosystems in East Africa. The park contains almost one half of the world's population of the endangered Mountain Gorilla, making it an extremely valuable conservation site. Bwindi is also home to several endangered bird species with very limited ranges, and acts as an important catchment area for many rivers, supplying water for agriculture in the surrounding region.

**Buhoma Lodge** [www.ugandaexclusivecamps.com](http://www.ugandaexclusivecamps.com)

Buhoma Lodge commands spectacular and uninterrupted views of the Bwindi Impenetrable Forest National Park home to the rare and elusive Mountain Gorilla. We offer a top quality, intimate lodge for our guests' enjoyment in this area. Situated within the National Park, Buhoma Lodge is a short distance from the meeting point for gorilla tracking and other activities in the area.

Ten comfortable cottages have been carefully built, each with its own private veranda, allowing wonderful views of the forest canopy of the National Park. Inside the spacious cottages you will find comfortable beds, a well appointed en suite bathroom with flushing toilet and a hot shower and also some rooms with bath tubs. An elevated lounge area, complete with bar and dining facilities, offers a cosy, comfortable environment, to discuss the day's activities around the fireplaces which add atmosphere and warmth in the cool evenings.

As part of our commitment as an organization with a responsible tourism policy we have designed the lodge using sustainable local materials where possible, with the emphasis being on natural products, which has in turn given support to the local communities and businesses. Supplies are obtained from as nearby as possible from local sources and staff are also generally recruited locally and trained on site. Our water supply is gravity fed and solar power is used for lighting with power points limited to a central area allocated for recharging cameras and videos.

Meals are freshly prepared with many local ingredients, offering a balance of international and locally flavoured cuisine with meals being of several courses. Our bar has a selection of local and imported beverages and our friendly local staff will attend to your needs.

Hot beverages are available throughout the day on a self service basis, but, are delivered to your cottage with early morning wake up calls as required, allowing you to awake gently and savour the early morning sounds of the forest.

### Day Three

#### Gorilla Tracking - Bwindi Impenetrable Forest National Park

Following breakfast at the lodge, you will walk down to National Park Headquarters to meet your guides for the day and begin your gorilla tracking experience. Experienced guides and trackers will accompany your party on an early morning trek into the dense rain forest on the mountain slopes\*. The journey, through dense foliage and up steep climbs, is abundantly rewarded with the lifetime experience of viewing mountain gorillas in their natural habitat. You will have an opportunity to be within meters of these magnificent apes, sharing in their daily lives and experiencing their day-to-day activities. Mountain gorillas are extremely rare with only an estimated 850 remaining in the wild. This is an experience you won't soon forget! \*Some of the gorilla families are located in an area which you will need to travel to by vehicle, but don't worry – we will transport you there!

Following the trek, return to your accommodation and, if time allows, take a guided afternoon forest or community walk. Please note: tracking may be fairly strenuous with treks up to six hours or longer, at high altitudes, not uncommon. Also, mountain gorillas are wild animals and, as such, sightings cannot be guaranteed. However viewing success rates are over 95%.

Please refer to our detailed information sheet for more detailed information on Gorilla Tracking requirements, conditions, and considerations.

## Day Four

Depending on individual preferences there are a variety of different itinerary options for this day.

### 2<sup>nd</sup> Gorilla Trek (Optional)

Those with pre-purchased permits will depart for a second gorilla tracking experience following breakfast at the lodge.

### Forest Walk (Optional)

Embark on a walk through tropical rainforest with experienced wildlife guides. Enjoy scenic views, the sights and sounds of the rain forest, ample opportunities for bird watching and glimpses of the many monkey species living in the park as they move through the forest canopy.

### Village Community Walk (Optional)

Embark on a community walk through the local villages surrounding Bwindi Impenetrable Forest. Optional activities include visits to a traditional home, local orphanage or school, banana brewing demonstrations and even meeting traditional medicinal healers. This three to four hour walk is easily tailored to your individual schedule and interests.

## Day Five

This morning we depart Bwindi Impenetrable Forest National Park and travel (2-3 hours) to Ishasha in the southern part of Queen Elizabeth National Park.

Time permitting, during our drive from Bwindi to Ishasha, we may visit a Community Project on the border of Queen Elizabeth National Park. Here the local people allow you to enjoy some time in their homesteads, as well as see some of the crops and curios they produce, and visit the local elephant trench project – which stops elephants coming into the village and raiding crops.

Afternoon game drives will be enjoyed in the Ishasha area, looking for the huge herds of buffalo, elephant, Uganda kob and of course the famous tree-climbing lion typically found in the area.

Overnight at Ishasha Wilderness Camp

**Ishasha Wilderness Camp** [www.ugandaexclusivecamps.com](http://www.ugandaexclusivecamps.com)

Ishasha Wilderness Camp is situated inside the Southern Ishasha sector of Queen Elizabeth National Park on the Ntungwe River, and is an idyllic retreat for people who truly enjoy the wilderness. This exclusive camp offers quality accommodation and services in this unspoilt remote southern sector of Queen Elizabeth National Park famous for its tree climbing lions that can sometimes be spotted resting in the branches of the large fig trees in the area.

Each of the ten spacious framed canvas rooms, situated in the wooded area beside the river, is comfortably furnished and with large mosquito netted beds, its own private en suite bathroom and dressing area providing running water, hot water 'bush' showers and a flushing eco-friendly toilet.

A central lounge and dining area, under a cool thatched roof, provides a comfortable environment for meals and relaxing during the day. A shaded area beside the river offers al fresco dining and an evening 'fireplace' for guests to relax with sundowners and share their day's experience.

As the camp is within the National Park, we have designed it to be as low impact as possible with low usage of water, power and other resources. Solar power is used for lighting with power points limited to a central area allocated for recharging cameras and videos.

Meals are freshly prepared with many local ingredients, offering a balance of international and locally flavoured cuisine with all meals being of several delicious courses. Our bar has a selection of local and imported beverages and our friendly local staff will attend to your needs.

Hot beverages are available throughout the day on a self-service basis, and are delivered to your tent with early morning wake up calls as required, allowing you to savour the early morning sounds of the 'bush' awakening.

## Day Six

Spend the day enjoying game drives in the Ishasha sector of Queen Elizabeth National Park.

Queen Elizabeth National Park spreads over 1,978 sq km in the western arm of the Great Rift Valley and is home to a wide variety of wildlife including elephants, leopard, lions, hippos, buffalo, Uganda kob, baboon, and many species of birds. With both a riverine and savannah habitat, the park includes the southern Ishasha area with the massive Maramagambo, one of the largest surviving natural forests in Uganda. The northern Mweya area, traversed by the equator and dominated by the scenery of crater lakes, is often occupied by large flocks of flamingos.

## Game Drives – Ishasha Sector

The Ishasha area of Queen Elizabeth National Park is rich with wildlife including warthog, water buck, bush buck, leopard, Ugandan kob, elephants, countless bird species and even the rare giant forest hog. The Ishasha sector of the park is known for its famous tree climbing lions sometimes found lying about in the branches of the native fig trees.

Overnight at Ishasha Wilderness Camp

## Day Seven

## Game Drives – Mweya Sector

In the Mweya area of Queen Elizabeth National Park, also rich with wildlife, visitors will find vast numbers of Uganda's unique and strange Euphorbia, or "candelabra" tree. The many nearby crater lakes and mountain ranges provide a beautiful backdrop for your journey.

### Boat Cruise - Kazinga Channel

Enjoy a leisurely boat cruise along the Kazinga Channel in Queen Elizabeth National Park. You may encounter herds of elephant, buffalos and antelopes, families of warthogs, large groups of hippos, and crocodiles basking on the shore. Kazinga's shores are a haven for numerous birds, including many migratory species as they make their way south to warmer climates. The cruise also provides a spectacular view of the beautiful Mweya Peninsula and life in local fishing villages set along the banks.

Overnight at Mweya Safari Lodge

**Mweya Safari Lodge** [www.mweyalodge.com](http://www.mweyalodge.com)

Located on a peninsula overlooking the Kazinga Channel on one side and the Rwenzori Mountains on the other, this well positioned lodge provides some of the best accommodation and service facilities in western Uganda. Amenities include a swimming pool, the Tembo bar and an elegant air-conditioned restaurant with global cuisine. Breakfast is served on the lodge's outdoor terrace with views of the Kazinga Channel below.

### Day Eight

This morning we will travel to the Kyambura Gorge (Chambura) to enjoy Chimpanzee trekking. After this activity, we travel back to the lodge and pack ready to depart to Kibale Forest.

Kibale Forest – is a 2-3 hour drive from QENP (north) on good roads. On a clear day you may get views of the Rwenzoris in the distance.

Two nights spent in the area to allow time for chimpanzee tracking in the forest, (permits must be pre purchased). You can also do a forest walk (guided) during your stay, or simply enjoy the area and perhaps visit the Bigodi Swamps, or the Vanilla Farm close to Ndali Lodge. All meals included.

### Kibale Forest

Kibale, 766 km<sup>2</sup> is one of Uganda's enchanting forested parks. Here, you can hike in the park for hours observing the drama of life in a rain forest. The park contains pristine lowland tropical rain forest, montane forest, and mixed tropical deciduous forest. In addition to forest, you will also notice areas of grassland and of swamp. The forest is rich in wildlife. It is most noted for its primate population. Some of these are red-tailed monkey, diademed monkey, olive baboon,

PRIVATE AND SCHEDULED SMALL GROUP SAFARIS

For scheduled tour requests, contact Wild Frontiers: [www.wildfrontiers.co.ug](http://www.wildfrontiers.co.ug)  
safari@wildfrontiers.co.ug

chimpanzee, black and white colobus. Some of the other mammals you might see are bushbuck, Harvey's red duiker, blue duiker, bush pig, and African civet. More difficult to spot are buffalo, waterbuck, hippo, warthog, and giant forest hog. Herds of elephant once travelled back and forth through the area. These elephants have become more and more rare, and now are seldom seen. The birdlike in the forest and grasslands of the forest is abundant. There are almost 300 species, which have been identified here. One particularly worth noting is the endemic to Kibale forest. There are 144 species of butterfly in the park and a diverse population of moths and other insects. A system of trails has been developed within the park, and tour guides are available to guide visitors.

Overnight at Primate Lodge:

**Primate Lodge** [www.ugandalodges.com](http://www.ugandalodges.com)

Located in Kibale National Park, less than 500 meters from the start of the park's chimpanzee tracking, Primate Lodge offers eight luxury en suite tents. Each tastefully decorated tent sits on a raised wooden deck and has its own private veranda overlooking the forest, African style beds, large windows and hot and cold running water. The lodge's restaurant and bar with comfortable chairs, sofas and soft cushions and a fireplace for chilly evenings makes it a perfect place to dine and relax after the day's activities.

## Day Nine

### Chimpanzee Tracking

This activity will generally take place in the morning. You will either be driven or walk down to the Kibale Forest National Parks' headquarters to meet your guides for your morning's chimp tracking experience. The forest is alive with noise and you should be lucky enough to see the habituated chimps during your trek.

Overnight at Primate Lodge:

## Day Ten

Depart after an early breakfast for the drive back to Entebbe, stopping for curio shopping on the roadside and a quick photo stop at the Equator. Arriving back in Entebbe, late afternoon. Rest of the afternoon/evening is at leisure.

End of Wild Frontiers Classic Uganda, Primates and Game Ten Day Safari.

Overnight optional. If staying in Entebbe, please request assistance at time of booking safari. If departing Entebbe the same night, please note your vehicle returns to Entebbe late afternoon

(approximately 16h00/17h00) so DO NOT book flights departing prior to 20h00 in order to allow time for security, check in and any delays.

If you plan to spend additional time in Uganda please feel free to speak with a Wild Frontiers representative at the time of booking or upon your return about the many activities available in Entebbe and throughout Uganda. You can explore Kampala, spend a night on Ngamba Island, or take a short trip to Jinja, the adventure centre of Uganda, offering grade 5 white-water rafting, quad biking and bungee jumping!

**All prices are subject to change due to rate of exchange fluctuation or any unforeseen price increase. Terms & Conditions apply. E. & O.E.**

## Ten Day Lodge Safari

### Includes:

- Airport transfers
- One way flight from Entebbe to Kihhi on a scheduled flight
- 4x4 transport with English speaking local driver/guide as above
- Accommodation and meals as above (full board on safari, bed and breakfast in Entebbe)
- Bottled water in safari vehicle
- All park entrance fees, 1 x forest/community walk at Bwindi, 1 x boat cruise on Kazinga Channel, game drives in Queen Elizabeth National Park
- Full liability insurance cover
- 24 hour emergency contact

### Excludes:

- Gorilla Permit of USD600 Bwindi – must be pre-booked/prepaid
- All flights and airport taxes
- Kibale Forest Chimpanzee tracking permits USD150 each  
Kyambura Gorge chimpanzee permits USD 50 each
- Personal expenses such as porters, drinks, tips, visas and travel insurance
- Services/activities/meals not included above

### Health:

Yellow fever & malaria prophylactics are required.

For gorilla/chimp trekking it is imperative that you are healthy and free of any disease or virus – officials do have the right to refuse entry if you are found to have or show any signs of communicable illnesses. Should you opt to spend time participating in the UWEC Wildlife Integration programmes, you may require additional inoculations and health clearances. Please enquire at the time of booking. These activities must be booked well in advance.

### Visas:

Most nationalities require a visa to enter Uganda which can be obtained on arrival for USD50 per person, single entry. Passports must be valid for a minimum of 6 months or 12 months in the case of

UK nationals. The cost for tourist visas to Rwanda is 50 US\$ per person payable in CASH US\$ (Credit card payments NOT possible). The US\$ notes have to be of year 2001 or newer, older notes are not accepted anywhere in Rwanda.

**Flights:**

It is imperative that you reconfirm your onward/return flights. Our office in Uganda can assist you with this.

**Travel insurance:**

Travel insurance is compulsory for all guests travelling with Wild Frontiers.
